Log onto

<http://www.InspectionSoftware.com> this will take you to the Home Page.

Click on
"New Texas REI
7-2"

This will take you to the "Identify & Report Texas Home and Property Inspection Software" page.

The screenshot shows the homepage of the "Identify & Report Texas Home and Property Inspection Software". The header features the site name in large yellow and white text on a dark blue background. Below the header is a navigation bar with links for Home, Sales, Support, About Us, and Contact Us. A central banner area contains the text "Click to View YouTube iPad Texas Identify & Report v12.0 REI 7-2" and "Identify & Report Texas REI 7-2". Below this, it says "Install On Your Mac, Pc, iPad" and "Download below, Take a Free Test Drive Identify & Report v12.0 Texas REI 7-2". A screenshot of the software's main menu is displayed, showing options like "Structural", "Electrical", "Plumbing", "HVAC", "Appliances", and "Optional". The left sidebar has a "Click To Select" section with links for Home, Download Identify & Report Lite Free, Schedule Free Identify & Report Lite Online Training, Identify & Report Professional, Inspectors Development Team, Screen Shots, View Sample Home Inspection Report Printout as PDF, Buy or Lease Identify & Report Professional, About Us, Email Mike Weston, Sales, Support, and Contact Us. The right sidebar has a "Identify & Report News and Updates" section with a date of 8/15/2011, a "NEW Identify & Report Texas" announcement, and a "Wanted 100 Inspectors" notice.

Scroll down the page to "Select Computer Format"

This screenshot shows the "Select Computer Format" section of the website. A red arrow points from the text "Select Computer Format" in a red cloud to the heading "Select Computer Format" on the page. Below the heading, there are two sections for downloading the software. The first section is for "Windows Xp-7, and iPad v12.04" and includes a link "Click to Download Identify & Report REI 7-2 Zip Format Only". The second section is for "Apple Mac, and iPad v12.04" and also includes a link "Click to Download Identify & Report REI 7-2 Zip Format Only". Both sections include instructions: "After installed Click on the 'Texas Inspections' File to Start." and "Click On 'GUEST' as password". A red arrow points from the text "Click to Download Identify & Report, REI 7-2 Zip Format Only" to the link in the Windows section.
